Self

Video Editor

With over 2 years of professional experience in video editing and post-production, I have developed a strong ability to transform raw footage into captivating visual stories. My expertise lies in using industry-standard editing software, including Adobe Premiere Pro, After Effects, Photopea and Capcut, to create high-quality videos that engage and inspire audiences. I am skilled in crafting seamless transitions, applying advanced color correction and grading techniques, and integrating sound effects and background music to enhance the overall viewing experience.

Throughout my career, I have worked on a diverse range of projects, including promotional videos, advertisements, corporate presentations, social media content, and AMVs. My attention to detail ensures that each video maintains a consistent and polished look, while my storytelling abilities help convey messages effectively.

I utilized motion graphics and text animations to create dynamic video intros and outros, keeping viewers captivated. Additionally, my experience in optimizing video content for different social media platforms, such as Youtube, Tiktok, Facebook.

I am highly organized and capable of managing multiple projects simultaneously, ensuring that all deadlines are met without compromising quality. My passion for staying updated with the latest video editing trends and techniques drives me to continuously enhance my skills. I am eager to bring my creative vision, technical expertise, and storytelling abilities to new and exciting projects.
